## I'M YOUR MAN

(Music: Brady Rymer, Dan Myers/Lyrics: Brady Rymer, Dan Myers, Todd Sheaffer)

all the boys down on the corner  
see you walkin' by  
they all get big ideas  
they go, "my, my, my"  
never let em trick ya  
those doctors of romance  
cause honey, I am tellin' you...

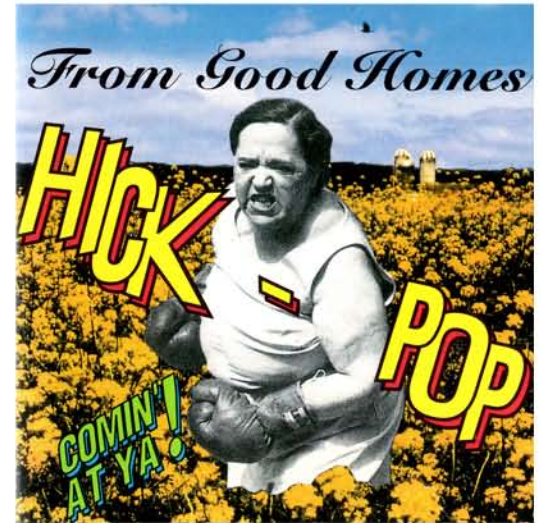

I'm your man

all the business boys on airplanes  
as you fly around the world  
they're tryin' to get close to you  
they're promisin' the world  
take em for a cocktail  
it's cash in hand  
but honey, I am tellin' you....

I'm your man

i'm soakin' up the sunshine  
got a twinkle in my eye  
clouds are floatin' past me  
makin' pictures in the sky  
I'm lyin' in the tall grass  
got a flower in my hand  
honey, I am tellin' you....

I'm your man  
wo-wo-wo!
