

FROM GOOD HOMES

SWEET SPOT

(Music: From Good Homes; Lyrics: Brady Rymer/Todd Sheaffer)

Find yourself a sweet spot & stay there for a while
Find yourself a sweet spot & ride it a country mile

Spread your sail high & wide
Catch the wind go for a ride
Feeling good feeling alright
In the pocket gonna ride it all night

Chorus

Spread your wings into the air
You can take it anywhere
Catch a wave let it flow
Set it free let yourself go

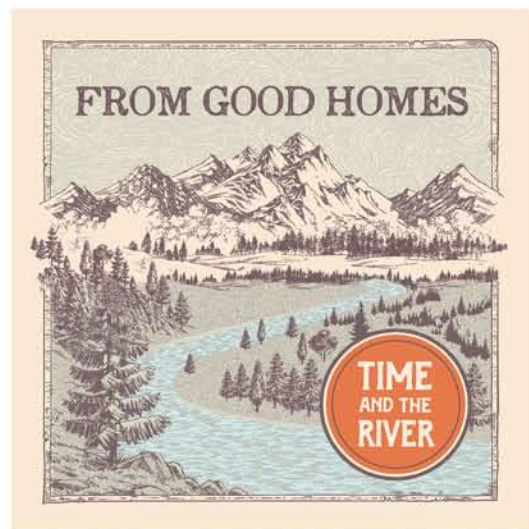

Chorus

Crosstown traffic holding me up
Driving me insane
Locking me up slowing me down, blocking up my lane
Making me wait, making me late, making me hate
This is ridiculous
Next time I'm gonna take the train

Chorus

Not too high, or not too low
Not too fast or not too slow
A little loose & a little bit tight
In the pocket gonna ride it all night

Chorus

APPEARS ON:
TIME AND THE RIVER
