

# FROM GOOD HOMES

## TIME AND THE RIVER

(Music: From Good Homes; Lyrics: Todd Sheaffer)

I wish that I could find you  
I've been looking 'round  
Don't know where you've gone to  
Nowhere to be found

I lost you to  
Time and the river  
Time and the river  
Time and the river  
Time and the river

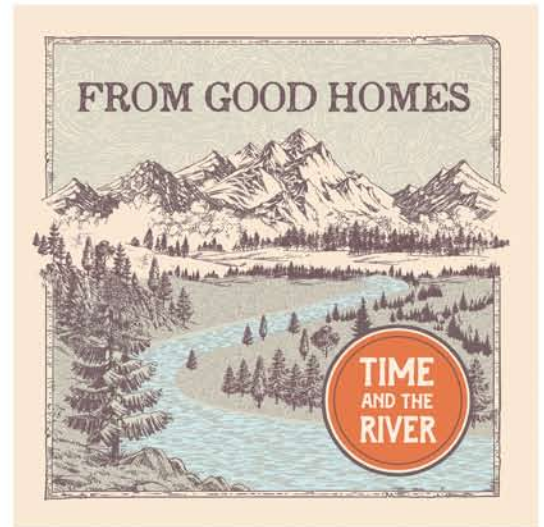

I don't know how I lost you  
Don't know how that could be  
Be so good to see you  
My sweet ol' memory

But I lost you to  
Time and the river  
Time and the river  
Time and the river  
Time and the river

Are you still in California?  
Did the seeds you planted grow?  
Are you far across the ocean?  
Nobody seems to know  
Be so good to see you  
My long lost friend  
I wish that I could find you

I lost you to  
Time and the river  
Time and the river  
Time and the river  
Time and the river

I lost you to  
Time and the river  
Time and the river  
Time and the river  
Time and the river
