

## ALL THAT I CAN DO

(UNRELEASED SONG)

I got my eye on you  
You're like a dream come true  
You've got me looking your way  
I say, you're making my day

But I got my mojo in check  
You're making me a nervous wreck  
I got my mojo in check  
I feel like a batter on deck

Well, now my leg's starting to twitch  
My palm's starting to itch  
You got my mind in a ditch  
Well, my leg's starting to twitch  
My palm's starting to itch  
I got my mind in a ditch

I'm doing all that I can do  
I'm doing all that I can do  
I'm doing all that I can do  
To keep my hands off of you

You're such a grooving thing  
The way your booty swings  
You making me dance and sing  
The way your booty swing  
Making me dance and sing  
I've got to groove that thing

I'm doing all that I can do  
I'm doing all that I can do  
I'm doing all that I can do  
To keep my hands off of you

You're such a grooving thing  
The way your booty swings  
You making me dance and sing  
The way your booty swing  
Making me dance and sing  
I've got to groove that thing

I'm doing all that I can do  
I'm doing all that I can do  
I'm doing all that I can do  
To keep my hands off of you
