

FROM GOOD HOMES

BITTERSWEET FALLS

(Music: From Good Homes; Lyrics: Patrick Fitzsimmons)

She come down with a pail a water
I know it's water but it tastes like wine
She come down with a song I taught her
Sings it to me, brings a tear to my eye
Brings a tear

She come down to find me hiding
Oh baby don't ya hear my calls?
Come away, come away my love,
Let's go up to the Bittersweet Falls
Way on up

Take me with you when you're fallen'
To the river, to the river bound

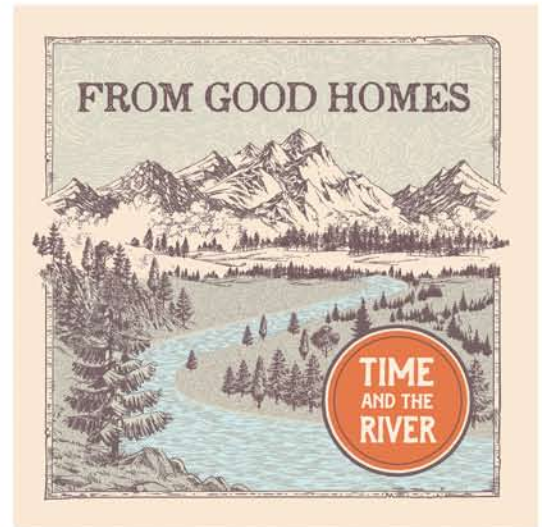

Sing sing, go on and let it ring
From your heart and from your soul, yeah

She come down with all the love inside her
Takes me through a long dark night
Morning sun is gonna find me smilin'
And I know it's gonna be alright
It's alright now

Take me with you when you're fallen'
To the river, to the river bound

Sing sing, go on and let it ring
From your heart and from your soul
Sing sing, it don't have to mean a thing
Open your heart and let it show

Sing sing, go on and let it ring
From your heart and from your soul
Sing sing, the feeling is everything
Open your heart and let it go, yeah
